

MassACA.org Quarterly Reports

All Facilities with a Cap Allocation or Position on the Waiting List shall submit a Quarterly Report of the Facility's status Per Section 6(B) of the System of Assurance for Net Metering Eligibility (Mass [D.P.U. 15-32-A Appendix A](#), November 25, 2020). Failure to file a Quarterly Report to the Administrator is grounds for loss of Cap Allocation or position on the Waiting List. **A quarterly report is only required until the Permission to Operate (PTO) document has been received by MassACA. Thereafter, reports are only needed if there are major changes to the projects.**
